MOBILE COMMUNICATIONS LIMITED

Avoid becoming, another statistic

Don't drive while holding a mobile phone!

Police forces around the country are continuing to enforce the law relating to driving whilst using a mobile phone. Avoid becoming another statistic, receiving a fine, or penalty points on your licence by **speaking to us about our in car solutions.**

- Challenger In-car solutions - **Drive safe**
- Installation anywhere in the UK, at home or at work.
- Professionally fitted Fully Integrated & Bluetooth car kits
- Simple Hands-free solutions

Stay in Touch - avoid 3 points on your license and a £60 fine!

Blue tooth Hands-free Car Kits for music, business, plug 'n' play, steering wheel controls.

We can install or you can self fit.

Please call our team or visit our web site for information, prices and bookings. You can also view compatibility guides and access downloads and updates.
